PANTY CONTEST WINNERS

Announcing the winners of BARELY LEGAL's two February 2007 Panty Giveaway contests!

The first winning letter below is from Mr. John Lane of Illinois. His fantasy got us so hot, we just had to award him Rebeca's signed panties. Mr. Rick Stone of Ohio wrote the other winning letter, which included his totally genius idea of cloning Alexis. He can't do it without her undies, so we're shipping them to him right away. Congratulations, guys!

Dear BARELY LEGAL,
I loved the layout of the raven-haired Rebeca and her pretty yellow panties! If I got Rebeca's panties, I would have to jerk off to her layout, all the while imagining that I was fucking her tight teen cunt. So she likes a man to come inside her smoldering twat? I would be more than happy to give her what she wants!! One steaming hot Latina cream pie "cumming" up! And later I would give her a "frosty mug" to go with her cream pie. A bisexual Latina that does anal? Sign me up for a couple of those.

I want an opportunity to smell the scent of sweet Latina pussy, her hot and spicy juices soaking her yellow panties—to fantasize about sliding my cock in her asshole, giving her a long anal fucking and finally shooting a big load of hot jizz all over her tight buns!! Would that make them "sticky buns"?

Fuck—I'm gettin' hard just writing this letter. Anyway, thanks for all the raunchy fantasies, BL. Keep up the "hard" work.

"Sin"cerely,
John Lane
Illinois

Dearest Alexis,
Please send me your panties, along with a Christmas wish—that you will still be inside them when they come.

Why do I want them? Because they are off the ass of an *angel*!

What do I plan to do with them? Close my eyes, take a memorable deep breath, then vacuum-seal them! Hoping that there's enough DNA left in them, that one day mankind will have the ability to use your panties to clone you thousands of times. Because after all—who wouldn't love to have Alexis?

Erectionally yours,
Rick Stone
Ohio

Dear Corrin at BARELY LEGAL,
You made my day, Corrin, when I got your panties. I sniffed them to smell the cum, and the cum smells good. I always smell women's/girls' panties. It turns me on. This is the first time I won a porn giveaway. Corrin, winning your panties was the best Christmas present. You really cheered me up. Glad I won.

Yours truly,
S. D. [December 2006 Panty Contest Winner]
New Jersey

Dear "Funny Girl" Kirsty [November 2006],
Wow!! There are not enough adjectives in the world to describe how gorgeous you are! Those stop-in-your-track eyes and dark hair. You have the face of a goddess!

I can't keep my eyes off your jaw-dropping tits! I could nestle in them for hours. And that mouth-watering pussy. I could bury my head between your legs and satisfy your clit for hours till you couldn't take it anymore! Because it's all about the clit, right?

You have to tell me—do you work out to keep your ass so firm and round-looking? I mean, that is a great-looking ass!

My only problem is, you didn't smile enough. I would have loved to see your braces more.

Bye for now,
B. L. from Canada

You live all the way up in Canada? That's so cool! Well, now I wish I would have smiled more. Honestly, I'm a little self-conscious about my metal mouth. But not about my pussy! I'll show that anytime! LOL. To keep my butt in shape, I do squats—on top of a guy! It's the best exercise ever! :) ***—xxx Kirsty***

Dear Magazine Staff!
Summer in the December issue is the outstanding brunette of 2006! What an extremely cute and innocent girl! It would be very nice to see her again, hopefully together with a vibrator! (I continue to be sad, because of the policy of no boy/girl photo-sets.)

Happy New Year,
wishes the Viking in Norway
via e-mail

Dear BARELY LEGAL,
I have been enjoying your wonderful magazine, and I must say that the girls are some of the hottest I've ever seen. Would you do any boy/girl layouts so some of us out here can see a tight young pussy get licked and pounded? I would like for you to get some reader feedback on this. I think one boy/girl layout in each issue would be great. What do all you readers think?

Horny in prison,
VENOM
Maryland

Hmm—two readers asking for boy/girl layouts. I just don't know. Personally, I think of BARELY LEGAL as sort of a girls' club. I mean, I want the magazine to be all about the girls and how you guys get to know us and, like, pick your favorites and tell us your fantasies. Believe me, I totally love seeing naked guys and hardcore penetration and whatnot, but is that right for this mag? Please write and let me know your opinion on this highly important matter! ***—Lindsey***

Dear BARELY LEGAL and Lindsey,
You have totally outdone yourselves with the twins Luba and Laura. Their appearance in the December 2006 issue was a heart-stopper. I have subscribed to BARELY LEGAL for many years and have seen several exceptional teens. The twins, by far, have surpassed any of the many other lovelies published by you. They are extraordinarily beautiful, tanned, very trim, totally shaved and tattoo-free. I'm sure that many readers, myself included, hope to see them in a future issue. Heartiest congratulations!

Sincerely,
F. K.
New Jersey

Thanks, F. K.! Unfortunately, I don't think the twins will be appearing again—at least not together. I talked to them, and they're all about having "separate identities" now. I guess I can't really blame them. But I sure am glad we have one awesome photo-shoot to cherish forever! ***—Lindsey***

Dear Lindsey,
I absolutely love the December issue. The twins, Chelci, Valencia, Tia, Alexandra, Summer and, of course, that complete goddess—Sasha! I would love to make out with this gorgeous young lady and squeeze her perfect butt while our tongues dance the tango.

I also love the photography. It is awesome seeing all the ladies with panties covering their beautiful bottoms. But what I found to be very entertaining, funny, sensual and very sexy was the shot of Corrin kissing herself in the mirror! That was truly a work of art. I just recently subscribed to your magazine, and I totally love it. Keep up the great work!

Love & kisses,
David
Nevada

Thank you, David. Isn't Corrin the cutest? I don't know if the mirror kissing was her idea or the photographer's, but it was my favorite photo in the whole issue, too! You just started subscribing, and you already know my mind! I hope you'll let me know your favorite thing in this issue. (Hint, hint.)

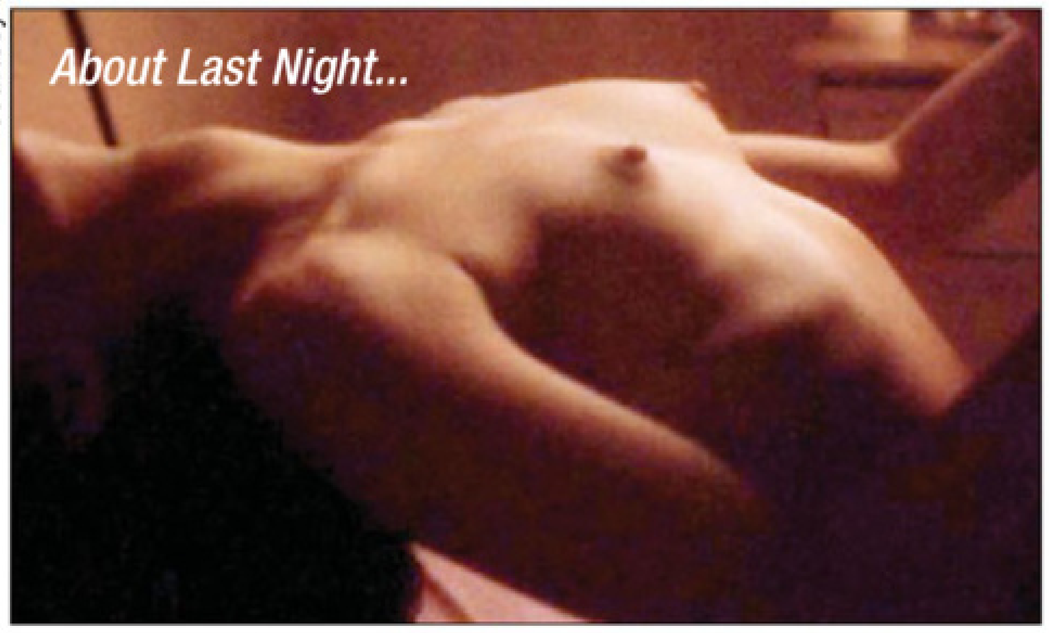
MUST-SEE DVD DOUBLE FEATURE

MICHELLE JOHNSON & DEMI MOORE



courtesy mrskin.com

Michelle in 1984

Demi in 1985

by sophie the intern

First of all? If you're a BARELY LEGAL fan, you have to see *Blame It on Rio* (1984). It's a classic. Michael Caine plays a middle-aged guy who falls in love with his best friend's 18-year-old daughter (played by Michelle Johnson), but the awesome part is, *she* goes after *him*. Also, Michelle totally shows her boobs and bush. In other words, she is the perfect barely legal girl.

Tragically, her costar, young Demi Moore, is *not*. Demi spends the entire movie trying to cover her perky (original) boobs with her hair. To make up for this flaw, I'm recommending a second film this month, called *About Last Night...* (1986). It's based on some boring play, but who cares? Look at Demi go! I guess she got over her shyness!

So, for the *complete* barely legal boobie experience, watch *both* movies. You won't be sorry!

LINDSAY LOHAN

BOOB WATCH!

by special consulting editor lindsey

Nice, but still naughty

Just two issues ago, we named Lindsay Lohan our Honorary BARELY LEGAL Girl of the *Century*. From wearing bikinis 24 hours a day even when she is nowhere near water to bragging about watching *Sex and the City* at age 12, Lindsay worked *hard* to earn that title. And when I heard last month that Lindsay pole-danced at a New York City strip club for an audience of 400 cheering people, I was like, *She really is taking this honor seriously*.

But now all of a sudden she's acting like she doesn't care about her title at all! *Look* at her, all ladylike in her fancy black dress at a la-di-da party for...*wait a minute*. Is that what I think it is...? Yes! It's *nipple*. Lindsay Lohan went to a *Chanel perfume party* in a totally sheer dress with no bra.

That's our Linds! She is still the barely legal-est celebrity girl of them all!

The real Olsen twins

The fantasy Olsen twin

ASHLEY OLSEN

Young Celeb Fantasy

by Reader Request!

Everybody loves the Olsen twins. When they turned 18, it was practically a national holiday!

But—things change. Three BL readers—R. B. from West Virginia, T. L. from Tennessee and R. M. S. from Maryland—requested Ashley Olsen as their Young Celeb Fantasy, but *not* Mary-Kate. We wondered why, because aren't they (*duh*) twins? How can anybody pick one over the other?

Well, check out the photo on the far left. See how Mary-Kate is practically hiding behind her sister? And how Ashley is brazenly flashing her microscopic cleavage?

The Olsens are not really alike anymore, and our readers have noticed that. The best fantasies are the ones you think *might* come true *someday*. Like you guys, we're betting on Ashley!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Ashley Olsen actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I have to tell you about the crazy dream I had last night!

Okay, so, I was in a room surrounded by a bunch of cute, sexy 18- and 19-year-old girls. One of them smiled and said, "My name is Andie Valentino." She had the most perfect breasts I've ever seen! I reached out my hands to squeeze them, but a gorgeous brunette named Isabella Sky stopped me and whispered in my ear, "I love to eat pussy."

So I pulled off my panties super fast, but Isabella was gone, and a blonde with an awesome butt was going, "I'm Kaela! Ass-licking turns me on!" I quickly turned around and bent over. At my feet was teeny, tiny, 4-10 Kira. "Let's sit on the clothes dryer!" she said. "The vibrations will totally make us come!"

So then my pussy started buzzing and wouldn't stop, and I felt like I was going to burst, and then Lindsay Lohan popped up and showed me her nipple! I woke up with a *bang*, everything drenched, including my pillow (it was between my legs). Wasn't that a crazy-hot dream?

Not! It wasn't a dream—it's the actual, real June issue of BARELY LEGAL that you're holding in your hands right now! I hope it makes *your* dreams come true!

CAMILLA

THINK PINK

Hi! I'm Camilla. Do you like my room? What can I say? I like pink! It's only the bestest color in the whole entire universe. Even guys love it! Everyone who's seen my boobs comments on how pink my nipples are. I have a really pink pussy, too, but not as many guys have seen *that*.

Normally I'm not allowed to have a boy in my room with the door closed. It's like my parents don't trust me or something. As if I'd ever do anything bad!

Just kidding! I've done pretty much everything with a guy. But it's weird, 'cause I was a virgin not too long ago. I was really shy and kind of dorky in high school. I mean, I had friends, but I wasn't, like, a party animal or anything. Most nights I just stayed home and did my homework or watched TV.

I had my share of crushes, but there weren't too many guys at my school that I was into. Older guys are better boyfriend material, in my opinion, because they're more mature, and they know how to treat a girl right.

My best friend Janey has a way older brother, Justin, who's, like, 30. We met at Janey's birthday party a few weeks ago, and he was totally hitting on me the whole time. He wouldn't take no for an answer. Finally, I gave him my digits, but I never thought we would actually hook up.

Turns out—we were destined to be together! The first time we got together, Justin did this thing down there with his tongue that gave me the biggest orgasm ever. I squeezed my legs so hard that I almost popped his head off! After that, Justin bent me over a chair and took me from behind. It was so hot! I'm used to sweet, romantic lovemaking—okay, not *used* to, but I've done it before! But this was, like, hot, sweaty monkey sex.

The only problem is, I think older guys, like, expect more when it comes to sex. Like, Justin wanted me to talk all dirty—and I'm just not good at that kind of stuff. The only thing I'm really good at is giving a guy a blowjob. And that's because we practiced on a banana in health class.

I don't want to just lay there, but I can't help it. I freeze up 'cause I don't know what to do! I decided that if I'm going to keep Justin interested, I'm going to let him do me in the butt next time! I'm kind of nervous about it, but I think I'm ready for that next step. What do you think? ★

ISABELLA SKY

NAKED AMBITION

Hi! It's Megan the intern. I'm chillin' with Isabella Sky. Isabella likes drawing nude girls, and she totally uses porn mags for "inspiration." But the talented artiste makes an awesome model herself!

What do you do besides model? I go to school, and I like to draw and paint.

What made you decide to model? Naked women are just so beautiful. I buy a lot of porn magazines. Guys can't believe it when they find my stash!

What kind of men do you like? Smart and sensitive.

What kind of women? I dunno. Everyone has their own thing that makes them beautiful—but I *love* playing with big boobs!

"I love/like/hate oral sex." Love! I love eating pussy, and I love having my pussy eaten, either/or. I like giving blowjobs, too—but I'm not really into *huge* cocks.

Do you spit or swallow? Swallow.

Have you tried anal sex? No! I'm afraid to.

Favorite sexual position? Doggy-style. I like being taken from behind—grab my hips and pound away!

Do you enjoy exposing yourself in public? It's such a rush to get naked outdoors. The sun feels *soo* good!

Have you ever done porn? Yes. My first scene was with Tyler Faith [for *BARELY LEGAL #57*]. We totally got into it. She had, like, this funky strap-on thing so she could fuck me like a guy.

Who was your favorite person to "work" with? Probably Codi Milo. She's hot!

Hey, those are both girls! Yeah, I'm starting off just doing girl/girl.

But you have sex with guys, too, right? Only in my personal life. Maybe I would [on camera] if I got to choose the guy, but I don't really know any of the guys in porn besides, like, Ron Jeremy.

Do you have a lot of sex in your personal life? Yep! Every day.

How often do you masturbate? Almost never. I'm too busy having sex!

What are your future plans? I wanna stay in school and get a Master's degree and become an art teacher.

What's your ultimate sexual fantasy? A threesome with Brad Pitt and Angelina Jolie.

Did you like posing nude? I was a little nervous, but it was fun. I see nude models all the time in art class, but I never thought I'd *be* one. ★

MANDY & HOKULANI

BONUS!

Hey, guys! Sophie the intern here. Remember Mandy Star? She's the tall, blond one. They grow up so fast, don't they? Just last month at our *Slumber Party*, the 18-year-old cheerleader from Hollywood, California, was *almost* too shy to show us her pussy. Plus, we practically had to tickle her until she peed her pants—not that she was wearing any!—to get her to admit that she was *maybe* just a teensy bit bi-curious. Her sexual fantasies were to be with another woman and to get naked outdoors. Boy, she doesn't waste any time! It's only been a few weeks, and she's already a successful model out having sex on the beach with Hokulani on her Hawaiian vacation.

StoreMags.com

"I *loo-ove* the beach," Mandy gushes. "This has been a dream come true! I'd ask Hokulani to pinch me, but if I'm dreaming, I don't want to wake up. Plus, it'd probably, like, hurt and stuff."

Mandy's "friend" Hokulani is *from* Hawaii. How sweet is that? They met on the beach and really hit it off—obviously! Not only is Hokulani hot, but she's super smart, and she has a heart of gold. The straight-A college student wants a career helping the elderly. Does that mean, like, if you've fallen, and you can't get up, Hokulani will *get* you up? LOL!

Right now, though, the newly legal coed has a job as a photo assistant. So *that's* how they were able to get these dirty pictures developed! She's into "men, music and her ass-men." Don't ask us what that means, but apparently she has a thing for butts. Even though she loves hooking up with girls, Hokulani's ultimate sexual fantasy is all about "Johnny Depp and Orlando Bloom being the bottom to my top!" Yikes! Want to bet she's seen *Pirates of the Caribbean* like a bajillion and one times?

Anyway, thanks for sharing your vacation pix, Mandy. Glad you had an awesome trip!

ANDY

GIMME AN A!

Hey! It's me, Lindsey. You might remember Andy from our November 2005 issue (*Andy: Last Virgin on Earth*). She just finished her freshman year at college, and her virginity is now a distant memory!

lindsey: Welcome back, Andy! Any big news?
andy: Well, I just tried out for cheerleading, and guess what? I'm going to be the *only* sophomore on the squad this fall! The rest of the girls are juniors and *seniors*.
lindsey: That's awesome.
andy: Thanks! The coach really liked my splits.
lindsey: How's your sex life since you lost your V?
andy: Insane! It's like I unleashed a monster or whatever.
lindsey: What do you mean?
andy: Like, sometimes I'll be sitting in class, and it's like, Did I just pee my pants? But no, I'm just wet and horny for no reason! I have to have sex all the time now!
lindsey: Sounds good to me! Have you met a lot of hot guys at college?
andy: Yes, some—but I'm going to meet a *lot* more this fall, when we go to the away games. I can't wait! Long, overnight rides in the back of the team bus—super quiet blowjobs in the dark—*yum*!
lindsey: *That's* big news—you like to have sex in public?
andy: Well, not, like, *public* public, but, yeah, I love secretly fooling around in places I might get caught. I totally gave one guy a handjob in the library.
lindsey: Have you ever actually *fucked* in public?
andy: Not yet. I would love to fuck by moonlight in the middle of a football field—like in that movie *The Virgin Suicides*.
lindsey: That sounds like your motto!
andy: Yeah, my virginity is dead! Good riddance! Now I just have to lose my *other* virginity.
lindsey: *Ooh*—in the butt?
andy: Yep. And I plan to do it *before* the end of football season.
lindsey: It's good to have goals. ★

“I love being naked!”

THAT'S WHAT FRIENDS ARE FOR

my wild first time

by melissa green photography by red velvet

My BGF Dee, I love her, I mean, she's been my best friend since we were in the third grade. But she's crazy. She always gets me in trouble, *always*, like when we were nine and she dared me to steal a Butterfinger from the Jif Mart and I totally got caught, or when we were 12 and she decided we should buy skateboards and do extreme stunts like the Mountain Dew commercials, and I broke my ankle in three places and had to walk on crutches for *12 weeks*.

Dee is still a nut, even now that we've turned 18—*especially now*, actually. Always trying to get me to do stuff. Stupid stuff. Like a couple weeks ago, we were sprawled out on her bed eating cherry Twizzlers and she went, "Let's buy a convertible Mercedes and drive to Los Angeles in bikinis."

I sighed. "Dee, we're in high school and we have no money."

"Okay. Then, let's make a porno movie," she said, like she totally meant it. I reminded her that we were virgins, and she rolled her eyes and groaned like I was retarded. "Not if we make a porno movie."

"We don't even have boyfriends," I said. I don't know why Dee doesn't have a boyfriend, actually. I can understand me, because I'm shy and I think kind of plain even though Dee always tells me I'm pretty. But Dee is gorgeous and has huge boobs and is basically every guy's fantasy.

"So?" Dee wrapped a Twizzler around her tongue. "We'll find some." She threw her feet in the air and spread her legs. "Boning *rules*!"

Dee is *so* bizarre.

"How do you know boning rules when you're still a V?" I demanded.

"I *know*." She tapped her finger against her head like she'd figured out quantum physics or something. "Besides, that's all about to change. I'm going to be a sex machine. And so are you. Wait and see. You're gonna totally love boning."

Dee turned her attention to the TV, which was showing a Matthew McConaughey movie that was pretty lame except that Matthew McConaughey is hot, obviously.

"He makes me want to masturbate," Dee said. I laughed, but Dee wasn't being funny. She turned to me with this totally unsmiling expression and said, "Seriously."

I wasn't expecting her to actually start diddling. I mean, Dee's outrageous, but she's never gotten, like, sexual in front of me. Until then, at least. She kicked her pants onto the floor and dug her fingers into her pussy.

Colton slid between my thighs and rubbed my pussy.

"Check me out, McConaughey," she panted, rubbing her clit. Her pussy was bald and pink and shiny.

"I didn't know you shaved," I said.

"What, you don't?" Dee looked at me like I had gonorrhea or something. I blushed.

Dee stopped what she was doing, stood up and grabbed my hand. "Come on," she said, pulling me toward the bathroom. I resisted but she just pulled harder. "Come *on*," she repeated, looking really stern and serious except she still wasn't wearing any pants. I gave up and let her drag me.

"How are you supposed to lose your virginity when you've got a big ol' hairy beav?" Dee shook her head like it was a complete tragedy and turned on the bath water.

"Jeez, I'm not even that hairy! Besides, not all guys think girls have to be shaved."

"Whatever." She unbuttoned my jeans. "Let me see."

"Quit!" I slapped her hand away. "God, you're so bossy." I opened the front of my jeans. Dee studied my pussy.

"You aren't, like, Jungle Queen, but you'll look better shaved."

I looked down at my fur. It was fine and honey brown. I thought it was cute, but there was no arguing with Dee.

"Hop in," she ordered. I stripped and climbed into the tub. The water was warm and silky and smelled delicious. I relaxed.

"It'll be easier if I just get in there with you." Dee pulled off her top.

"What, *you're* going to shave me?"

"Totally." Dee splashed in. Vanilla-scented foam sloshed over the side and onto the floor. "*Whee*!" she giggled, tickling my feet with her toes.

"Cut it out," I squealed, squirming. My butt slid across the porcelain and I fell under the water, dunking my head completely.

"You're such a spaz!" she hooted, clapping. Then she got all serious.

"Okay, get up on your knees." She grabbed a pink razor and a lavender bar of soap. I hesitated.

"*Well*?" She shook the razor at me. I sighed and stood up on my knees.

Dee lathered up my pubes. It was totally confusing because without expecting it at all, I started feeling really funny. She rubbed the bar of soap over my pussy mound and between my pussy lips and even a little bit between my butt cheeks. The soap was

slippery and cool. My clit totally sprang a boner. Then she started using her hand to rub the soap into a froth, and she lathered my pubes, but also she would casually slide a finger between my labes and then dip into my hole for just a sec, and I was afraid I was going to come accidentally. I chewed on my lower lip and tried not to pant.

Then she stopped suddenly, like right before I was seriously going to come all over the place. My cooch was throbbing, like it had sucked up every drop of blood in my body, and for a second I thought I'd faint.

"Hold still," Dee said. She dragged the razor through my pubes—the left side, then right, then center. Now I was bald on top, but my most sensitive parts were still furry. Dee re-lathered my coochie. I shivered. "Spread your legs a little more," she said, "and don't move."

I was nervous at first that she'd slip and cut my clit or something, but once I trusted that she knew what she was doing, I kind of enjoyed the feeling. It tickled a little and made a soft scratching noise that was weirdly pleasing. Dee was gentle and thorough, and my pussy gleamed.

"It's cute," I said.

"It *is* cute, plus it increases sensitivity." To prove her point, Dee clamped her mouth over my freshly shaved poon and shoved

her tongue inside me. She rolled her tongue over my clit and sucked my labes. It happened so fast, I didn't have a chance to be shocked, and besides I was too busy coming. I squeezed my boobs and moaned, my pussy shaking harder and harder until I exploded. I had to hold on to Dee's hair to keep from falling.

That was weird, but Dee didn't act like it was any big thing. She was already back to obsessing over our virginity.

"Who would you do from school?" she asked, rubbing a towel against her butt cheeks.

I frowned. "I don't like anybody."

"I didn't say *liked*. What about Todd Goren? *So* hot." Dee straddled the toilet and pretended to have sex with it. "Yeah, baby, yeah!"

"You're disgusting," I laughed.

"High school guys are lame, though. They prematurely ejaculate."

"How do you know?"

Dee shrugged. "An older man is what we really need." She climbed off the toilet and grabbed her deodorant. "My dad has some hot friends."

"Omigod, Dee!" I squeaked.

"What?" Dee rubbed deodorant on her armpits and blinked innocently. "I'm for real. They're successful guys, too, with money."

"Yeah, and they're all married."

"Not *all* of them." Dee stared at me. "Don't be such a prude, Missy." She slathered lotion on her legs. "Whatever. It so happens my dad's having a party this weekend for his partners and employees, here at the house. I'll be here, so.... Whatever you decide. But if you don't come I'll never speak to you again. And I'll have lost my virginity and I'll be hot and sexy, and you'll still be all chaste and lame."

How does Dee always convince me to do the most ridiculous things? I really didn't want to go, but Saturday night came around and somehow, shock of the century, I wound up with Dee at her dad's stupid party.

You know, the plan was, at least in my head, that I was only there to keep Dee out of trouble. Her whole virginity-losing scheme was stupid anyway. Everybody knows you're supposed to find someone special and fall in love before you do it. I mean, you can't just hump any old body. And I don't like rich businessmen, either. I like sensitive guys. I don't care about money. Besides, I mean, the whole virginity

thing—what's the big hurry?

I guess the night turned out pretty surprising.

I was bored stiff for the first couple of hours. Basically all I did was distract Dee's dad with dumb stuff, like asking if he had any *queso* dip, or telling him that everyone wanted to see his cuff-link collection. All this so Dee could flirt with a bunch of 40-year-old business dudes in matching gray suits while her dad was busy reminiscing about the trip to Morocco where he found his most prized and ancient cuff links. It was like being trapped in a really long, really pointless dream.

I felt a little better after Dee spiked my Diet Pepsi with root-beer Schnapps. I was about to go mix myself another when Dee grabbed my wrist and pulled me into the kitchen, along with a tall, handsome guy who reminded me of Charlie Sheen. "This is Colton," Dee whispered, giggling. He smiled. He had a ton of teeth. Dee hugged me against both of them and pressed her mouth to my ear. "We're going upstairs."

I looked at her and shrugged. "Have a ball."

"No," Dee explained. "We're going upstairs, we *three*."

I frowned, worried. "What about your dad?"

Dee linked her arm in mine. "Dad's drunk, and he's about to mack his secretary." She led Colton and me to her bedroom. She was

skipping. See how impossible it is to argue with Dee?

Dee locked the door and pushed a pile of stuffed animals off of her love seat. "Make yourself comfortable." I sat on the bed. Colton sat on the tiny love seat. It made him look like a giant. Dee sat beside me. We faced Colton.

"So," Dee crossed her legs and folded her hands in her lap. "What kind of work do you do with my father?"

"Mergers and acquisitions," he said.

What does that even mean? I felt like I'd been dropped in the middle of a weird movie. Dee was sitting up really straight, and it looked like she was giving him a job interview or something.

"That's great," she said. "Hey, I shaved Melissa's pussy the other day. Wanna see?"

I punched Dee hard in the arm. Colton said that he would love to see. I was pissed at Dee but figured the easiest thing to do was let her do her thing. She lifted my skirt and pulled my panties to the side. "Isn't it cute? C'mon, Missy, spread your legs so we can see better."

Dee pushed at my pussy lips with her fingers, prying them open. I was annoyed, but I also felt tingly because Dee has, like, magic fingers or something.

"Fantastic," Colton gasped.

"I licked her pussy, too, the other day. Wanna see that, too?"

I guess Dee was going to have her porno movie one way or another, even if we weren't filming.

"Yes," Colton gulped.

"Let me just get comfortable." Dee stripped butt naked—she didn't even leave on her thong or anything. I felt strange and confused. I mean, who was this Colton guy and what in the world was happening? But at the same time, the thought of Dee licking my cooch made me so horny I didn't really care.

"*Mmm*," Dee kneeled in front of me and dragged her tongue between my labes. She sucked my whole pussy before zeroing in on my clit. She flicked her tongue like a lizard and shook her bare ass at Colton. He wheezed and clutched at his swollen crotch.

"You like my butt?" Dee wiggled her cheeks. "C'mere."

Colton stood. His pants were bulging. Dee turned to him. "Lemme see." He unzipped his pants and a giant, spring-loaded boner came flying. Dee wrapped her fingers around his dick and squeezed. She flicked her tongue against his peehole and kissed the mushroom top. From the way she was acting, you'd never guess she was a V. She crouched on the floor and offered Colton her pussy. She wasn't even nervous, not that I could see.

I watched. It was almost like slow motion. Colton aimed his dong at Dee's hole and started pushing. It took a few nudges. I mean, I'm sure Dee is super tight, and that guy had such a giant wienie! But Dee didn't act like it hurt or anything. She moaned and squinched up her face, but it looked more like pleasure than pain. After a few minutes he was all the way in and they were totally going for it.

"*Ooh*, baby!" Dee squealed. I was hypnotized, watching her boobs swing and crash together with every thrust. If I'd tried to imagine this scene, I would have thought that watching my BGF lose her virginity would make me feel disgusting and dirty, but instead I was excited and totally horny and even inspired, like I wanted to jump in and try a few things.

Dee totally read my mind. "Why don't you join us, Missy?"

I sat there for a second trying to figure out if it was all really happening. Things like this don't happen to regular girls like me.

"Okay." I shimmied out of my clothes and hopped onto the floor next to Dee.

"Try it," Dee panted, her face all smiley and glowing. She glanced back at Colton and pulled herself of his ween. "Missy's turn."

I stretched out on the fuzzy chenille rug. Dee tucked a pillow under my head. "You'll like it missionary, I think."

Like now she was the world's foremost expert on sex, but anyway. I took a deep breath and bent my knees. Colton slid between my thighs and rubbed my pussy. I was still ultrawet from the licking. He poked at my hole with his dick, gently. I gasped and shivered. I mean, I was totally in the moment, but losing your virginity is still a little scary. I grabbed my knees and pulled them toward me, opening my pussy wider. Colton inched his way in.

It's like, the feeling, you try to imagine it, but you can't. It's like you're full, fuller than you could ever possibly be, and it almost hurts a little because there's so much pressure and tightness, but you keep going, and soon the pressure gives way to this huge, warm feeling that *rules*.

Dee watched, licking my nipples occasionally and masturbating. For a while she even crouched behind Colton and licked his balls every time they swung her way. She is so insane.

After a while Colton switched back to Dee, which is fine because, to be honest, your first time is, like, completely exhausting. He sat on the love seat and bounced her in his lap. He set her back down on the floor and slung her legs into the air, holding her ankles like ski poles. I watched them through a haze. Eventually Colton started twitching. He held his boner like a hose and splattered us both with cum. It felt hot when it hit, like the warm jars of maple syrup at the House of Pancakes. Then it got cold and felt like jelly.

We all took a few minutes to catch our breath, then Colton slipped out the door.

"Thanks for the memories!" called Dee. I shushed her because what if her dad heard something? We snuggled under the blankets and found some *Gilmore Girls* reruns on TV.

"That *ruled*," Dee said, slinging her leg across my waist and yawning. "How many friends can say that they shared their virginity?"

"Like, nobody. We rule," I giggled and toe-pinched Dee's feet. "And you're right. I totally love boning."

We hugged, and she pinched my butt, and then we fell asleep. ★

Fave masturbation method: I bet you think I'm going to say that I stick my flute in my pussy. No way! That's just in movies. I use a *real* toy—my vibrator. On *maximum* speed.
Pet peeve: When guys ignore my titties. Sometimes they go right for my pussy and forget about my top half. My girls need action!
Fave sex position: Doggy. I like the guy to take charge.
Spitter or swallower: I'm a swallower all the way. I *love* to suck cock, plus I'm good at it, and the main reason is because I don't neglect the balls. Deepest, darkest secret: Well, I found out that most of the girls in band were virgins and didn't even know how to give *themselves* orgasms. So I had them over for a slumber party, and, after my parents went to bed, I pulled out the sex toys, and I showed them how to come—*all* of them. Maybe that makes me a perv, but I know I helped some really tragic girls.
Ultimate goal: To go to college and major in astrophysics and minor in music.
Reason for posing: To prove I'm not a dork! ★

I know what you're thinking—and, yes, I can totally make all your housekeeping fantasies come true! LOL! But, actually, doing laundry can be pretty exciting if you know the secret.

I discovered that if I sit on top of the dryer while it's drying, I can totally feel it *down there*. The vibrations or whatever are perfect for getting me in the mood. When I get turned on like that, I can't help playing with myself. And since I live in an apartment, anyone can walk in on me at any time! That makes it even more exciting. It hasn't happened yet, but it's only a matter of time before the cute guy down the hall has to wash his tighty-whiteys, and *Hello*!

Guys literally overlook me because I'm so short. So to make up for it, I like to do things in bed that other girls won't do—or can't! For instance, I can tie a cherry stem into a knot with my tongue, and I can put a condom on a guy with my mouth. But the biggest thing for me is butt sex.

The thought of it weirded me out at first, but I tried sticking my finger up there and—surprise! It gave me a funny feeling. I tried it with my vibrator, and it felt *really* good.

But the *real* challenge was getting a guy to do it with me. I don't want anyone to think I'm a slut! If I had a boyfriend, he'd already know how naughty I am. But instead, I ended up doing it with a friend of my dad's named Mike. He's the only older guy I know, and I figure since older guys already know everything about sex, he wouldn't freak out about it.

Mike went slow and gentle at first, which was good because I was so nervous. I wasn't sure my butt could take it! But once we got going, *omigod*! I'd never had sex like that before!

But Mike won't do it with me anymore because he doesn't want my dad to find out. *Lame*! I guess I'll just have to wait for the cute neighbor boy to get all his clothes dirty—so he can get dirty with me! ★

JENNIFER & STACY

PUSSY PROM

Hi, my name is Jennifer, and I'm here with my best friend Stacy (she's the hot blonde). We both just graduated, and we plan on spending a *lot* of time together this summer. Anyway, Lindsey thought it would be different if me and Stace interviewed each other! Here ya go!

jennifer: State your name, please.
stacy: OMG, you're really taking this seriously. It's *Stacy*.
jennifer: What are your fave hobbies?
stacy: Jen, don't be lame. Okay, I'll tell you my number-one fave hobby: licking your pussy!
jennifer: What a coincidence! *My* favorite hobby is licking *your* pussy!
stacy: My turn. Why don't you tell the readers how we first hooked up?
jennifer: Well, we were on our way to prom with Randy and Tommy, and they got totally wasted and started vomiting their brains out in the limo. I went to Randy, "I am so not kissing your throw-uppy mouth or anything else." But inside I was bummed, 'cause the whole point of prom is to have a magical night of sex at a fancy hotel.
stacy: I know! I was finally going to give up the butt! Anyway, then you had the idea, Well, we already have the suite plus champagne.
jennifer: Right, so we ditched the guys and went to the hotel. We *planned* to just get drunk and burn our corsages, but then....
stacy: Then you went, "Stace, I like you more than Randy anyway," and you *kissed* me.
jennifer: You kissed back!
stacy: For some reason it felt natural.
jennifer: Then, while we were kissing, things just sort of...progressed.
stacy: Yeah, you started sucking on my titties like a starving lesbian!
jennifer: What was in your brain while this was happening?
stacy: I was thinking how weird it was, 'cause I'm *not* lez, but my pussy was *gushing*.
jennifer: I know, I felt it! It was very encouraging!
stacy: Wait, you mean you *planned* to hook up with me?
jennifer: Not *planned*, but I always secretly wanted to. Prom made it happen! It was our magical night of sex!
stacy: The sex is *still* pretty magical.
jennifer: Okay, interview over. Time for licking! ★

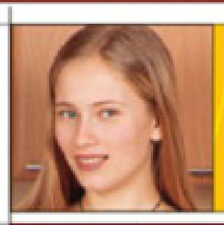
BARELY LEGAL BOX OFFICE



WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, EVA.

BARELY LEGAL #66

★★★★

HUSTLER Video. Directed by Andre Madness; starring Ashley Lace, Chelsie Rae, Angel Valentine, Samantha Rose, Isabella Dior, Brandon Iron, Steven St. Croix, Trent Sulari, Barry Scott and Seth Dickens.

Hey, guys. I swear I'm not just saying this to suck up to Lindsey—I can, *um*, "brown-nose" her later, LOL!—but *BARELY LEGAL #66* is pretty awesome. That's because Ashley Lace, Chelsie Rae and Angel Valentine are *soo* hot. Oh, my goodness, Ashley is so sweet and sexy at the same time. I love her sly smile. Plus, she's hot enough to melt icebergs in those Daisy Dukes. Chelsie is beyond adorable, with a great body, flawless skin and a perfect butt. Even though her butthole is super tight, she gets way into anal sex with Brandon Iron's huge thing. Angel looks like she's in heaven when she sucks dick. Also? The hot blonde has the biggest boobs of any girl in the movie, so of course her guy shoots his wad all over them. I was like, "Wow!" But don't forget little Isabella Dior, who wants to be a huge Internet star, or naughty little Samantha Rose, who decides to trade freaky sex for free rent. Did I mention the movie's in widescreen? The picture quality and stuff in *BARELY LEGAL #66* is, like, only the best ever. These little hotties totally look their best while doing their worst.

LAME, BUT BETTER THAN DOING HOMEWORK. ★	GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★
DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★	THE BARELY LEGAL BOMB! ★★★★

Angel's all, "Wow, this stuff *does* make my boobs grow!"

Chelsie's never seen *A Christmas Story*.

Ashley's having *way* too much fun.

YOUNG STAND-UP TITTIES

★★★★

Lethal Hardcore. Directed by Chucky Manson; starring Naudia Marie, Poppy Morgan, Paulina James, Charlie Lace, Celina Cross, Scott Lyons, Lee Stone, Talon and Brad Baldwin.

Young Stand-Up Titties isn't about who has the *biggest* boobs, but who's got the perkiest. My favorite pair belongs to über-cutie Celina Cross. Her boobs are, like, so perfect, I want to use them as a pillow! The 19-year-old Latina has a killer caboose, too, and I *love* how she moans things in Spanish. Charlie Lace has, like, DD boobs and then some! Her guy can't resist a little titty-fucking—pardon my French! Poppy Morgan is *so* horny, I swear I heard her growl at one point! No surprise a naughty girl like her is all about taking it up the butt. Naudia Marie, on the other hand, tries anal for the first time ever. At first she's all, like, "Be gentle!" But she totally loves it when the guy rams her hard. Naudia has butt sex in every position and even goes ass to mouth! This won't be her last anal, that's for sure! The only thing is, the movie's *really* long. They screw around for ten minutes before the girls *finally* start doing it. But all the wet-T-shirt stuff is fun. The video itself is really raw, but that's okay because *Young Stand-Up Titties* is one of those down-and-dirty-type movies.

Even when Celina sits down, her titties stand up!

Poppy prefers it in the pooper.

It's Naudia's first time in the butt!

Not even Celina can resist Celina's boobs!

DANI

GROWN-ASS GIRL

I know this is going to sound conceited, but I can't believe how hot I look! Don't I look like a rock star? This is *not* how I normally look. Thank God the photographer had such awesome hair-and-makeup people.

I know I'm only 18, and everyone tells me I should act my age, but I can't wait to be treated like an *adult*, you know? I mean, I'm smart, I'm responsible, and I'm *way* more mature than the stupid frat boys who keep hitting on me.

That's why—even though I know it's kind of wrong—I've been sleeping with my biology TA, Chad. No, I'm not doing him just to get an A! He's just hot. He's a grad student, so he's older, smarter and more sophisticated.

I like dressing up for him when we go out. One time, I wore a *short*, black dress with no panties and kept trying to find excuses to bend over. I "dropped my contact" so many times, he probably thought I was a klutz. And I don't even wear contacts! But it must have worked, because that night he invited me back to his place.

College is awesome, but it's like, would I rather go to a frat party, do Jell-O shooters until I throw up and have sex in some guy's bunk bed while his pervy roommate *pretends* to be asleep? Or would I rather be picked up and treated to a nice dinner at a romantic restaurant like a grown-up before going home with a guy who at least has his own place? *Duh*!

I'm not very experienced, so I like to just let the guy basically have his way with me. It's great when the guy knows what he's doing and is more take-charge. But it kind of backfired on me with Chad, because he wanted to do me in the butt! Can you believe it? I guess that's what older guys are into, so I went for it! It was *so* hot. I'm the only girl in my dorm who's tried it, so now I feel all experienced. I'm *definitely* a grown-up now! ★
